benefit the restoration of the

**HOTEL BRIDGE**

**LEEDS MASSACHUSETTS**

The Historic Leeds Bridge, built in 1880, was first referred to as the Shanty Row Bridge by local residents. The Leeds Hotel was constructed at the foot of the bridge in 1885 to accommodate the growing industrial village and the new, more appealing name of Hotel Bridge was born. The bridge was closed to vehicle traffic in 2004 due to safety concerns.
